

Dear Local Business Owner:

In the fall of 2019, Oak Grove High School received the National Performing Arts School of Excellence Award. This yearly award is given to one deserving high school in the nation, and we are the first school in Mississippi to receive this prestigious award.

The Oak Grove High School Band is the largest performing arts program at the school, providing talent development and scholarship opportunities to more than 150 students each year. Our goal is to proudly represent Oak Grove High School performing arts on the regional, state, and national levels. We need your help to maintain our high standards and confidently represent our school's performing arts excellence.

Immediately following the excitement of this award, COVID-19 eliminated any progress the band could make towards improving the program to provide better opportunities for students. Throughout 2020 and into 2021, COVID-19 caused a loss of over \$60,000 in fundraising. The Oak Grove High School Band is reaching out to prominent businesses in our community for support as we strive to take the band program at Oak Grove to the next level through elevated instruction, production, and decreased financial burden on our students and their families. We are asking each business to give a donation to help reach these goals. Your donation will help provide instruments, music, props, travel, flags, uniforms, and many other necessary building blocks for an exceptional band program. Please choose one of six categories for donation:

- **Solo**- \$100- Personal thank you card from the band and a shout out on our event programs and social media platforms.
- **Duet**- \$250- Solo level and an Oak Grove Marching Band T-shirt.
- **Warrior**- \$500- Duet level as well as recognition at our marching band fundraising events, and a business logo banner in the Oak Grove High School football stadium.
- **Gold**- \$1000- Warrior level with a large business logo banner in the Oak Grove High School football stadium, and a personal yard sign commemorating your donation.
- **Platinum**- \$2500- Gold level plus a living Christmas Card ensemble to play at the location of your choice, and additional recognition during each half time show.
- **Diamond**- \$5,000- Platinum level as well as your logo on the side of the band equipment trailers which travel throughout our region for games and competitions.

Thank you for helping make our 2021-2022 season a success! We are happy to have you as part of our support system this year!

Sincerely,

Oak Grove Band Boosters

Please make checks payable to Oak Grove Band Boosters or Venmo @Oak Grove-BandBoosters. Our representative will provide you with a receipt for your tax purposes. Please email logos to ogbandms.fundraising@gmail.com.
